## INVITATION

September 13, 2018  
Puducherry

Dear Ladies and Gentlemen,

On behalf of Society of Toxicology India (STOX) Executive Committee and Sri Balaji Vidyapeeth (SBV) Host Committee, I am writing to invite you to participate in the STOX 2018, the 38<sup>th</sup> Annual Conference of the Society of Toxicology India organized as the International Conference on "The Role of Toxicology in Public Health" in December 2018 at Sri Balaji Vidyapeeth, Puducherry (First Announcement attached). STOX 2018 is hosted by Sri Balaji Vidyapeeth, Puducherry.

According to WHO, around 7 million people die every year from exposure to fine particles in polluted air that penetrate deep into the lungs and cardiovascular system, causing diseases including stroke, heart diseases, lung cancer, chronic obstructive pulmonary diseases and respiratory infections including pneumonia.

STOX 2018 aims to bring together Health care seekers (the public); Health care providers and scientists (the professionals), health care policy makers (the regulators) and the Future Generations (the students) to share their knowledge and learn on the current trends; deliberate on concerns with reference to public healthy living vs toxin-riddled modern living.

Please register before October 31, 2018 to avail discounted early bird registration. I look forward to having you join with other community partners to take a close look at "The Role of Toxicology in Public Health".

Society of Toxicology India, established in 1979 at the ITRC, Lucknow, is one of the prestigious scientific societies of the country. STOX is represented by a large group of distinguished Toxicologists, Chemists, Biochemists, Medicos, Pharmacologists, Entomologists, Zoologists, Veterinarians, Environmentalists, other scientists and academicians. STOX is a founding member affiliated to the International Union of Toxicology.

SBV Deemed University (NAAC - A Grade with CGPA of 3.11) under Sec. 3 of UGC Act 1956, was established in 2008 at Puducherry. SBV runs courses, in the core area of Health Sciences, from Certificate to Fellowship, Diploma, PG Diploma, UG, PG, Super-speciality, Doctoral and Post Doctoral degrees. SBV is ranked 72<sup>nd</sup> amongst Universities in India.

Looking forward to meeting with you!

Best regards

Dr.Balanehru Subramanian

(Organizing Secretary)
